Who's judging who? (Photo: Penny Field)

August Bank Holiday Celebrations!

At least 125 people joined in the festivities as Culworth came together to celebrate the Summer on August Bank Holiday Monday.

Alongside the barbecue which saw about 150 burgers consumed, attendees were able to sample the delicious entries in the cake baking contest (won by Trudi). The Scarecrow competition produced a worthy winner in the form of Paddington Bear – here receiving a suitable greeting from judge Martin Rowling, who was aided in his arduous responsibilities by Andy Field. Games on the Cricket Field were organised by Catherine Ruffley, the burger flipping was led by Peter Coville with support from Joanne & Andrew Wilby, while Amy Harrison led the cake judging team. Many others

helped with setting up chairs, tables, and decorations, and the final result produced £130 for the Village Hall project, but the value in bringing the community together was far greater.

Culworth Christmas Shopping Trail – Sunday 6th December, 10am–4pm

It's only October but it's beginning to feel a lot like Christmas in Culworth for the organisers of this event! We're thrilled to be hosting the Christmas Shopping Trail for a second year – a festive day right in the village, packed with festivities, creativity, and community cheer. And all profit will go back into the village.

Doors all over Culworth will be opening to welcome you in. Expect to find 45 indoor stalls in studios, homes, the church, school, village hall and cricket pavilion. Here there will be handmade gifts, local produce, art, crafts, and seasonal treats – all created and curated by talented makers and artists.

If you didn't make it last year, the idea is simple: we supply a map and you wander through the village at your own pace, follow the trail, and discover treasures along the way. From perfect presents and festive treats to mulled cider, mince pies, food vans and hot chocolate – there's something for everyone. And for the children there will be a craft table and a free chocolate Santa hunt.

It's also a chance to meet the people behind the stalls – the makers, bakers, artists, and crafters who put their heart into what they do. By shopping locally, you'll be supporting them and helping to keep the village buzzing with creativity.

So, grab your friends, bring the family, and join us for a day of shopping, strolling, and celebrating the start of the festive season. **MARK THE DAY IN YOUR DIARY – SUNDAY 6th DECEMBER** - and get ready to enjoy Culworth at its Christmassy best.

WE NEED YOU!

This tradition needs you to be part of it. It's going to be Culworth at its best, but it is no small feat, and we'd love your help to make it all happen. Jobs big and small include:

- Creating and putting up signage around the village and beyond
- Lending and installing sound systems
- Printing maps and distributing them on the day
- Marshalling visitors
- Baking cakes and mince pies and organising refreshments and serving on the day
- Organising car parking
- Helping with set-up (Friday evening and early Saturday)
- Welcoming and assisting stallholders
- Helping with take-down on Saturday from 4pm
- Selling scratch cards on the day
- Baking cakes

If you can lend a hand in any way at all, we'd be delighted to hear from you, asap. If it's anything like last year it will even be fun! Please contact Ginny on 07766 810523 or

Ginnystaniford@gmail.com.

Culworth Film Nights The next film night will be on Friday 16th October in the Village Hall when we will be viewing The Devil Wears Prada 2. Tickets £15 to include supper or £7.50 film only. Doors open at 6.30pm. Bring your own drinks and glasses. The following film night will be on Friday 27th November, and there will be no Film Night in December. Contact Julie Tinn as below to book.

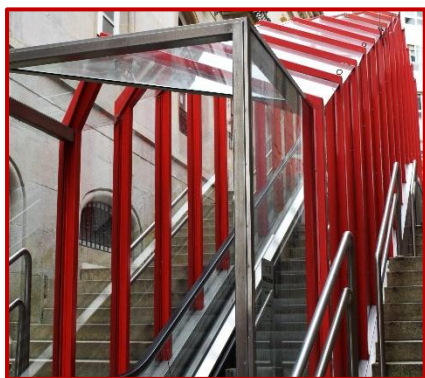

The Village Hall needs a volunteer to help organise the film nights! These popular evenings happen roughly every six weeks, we serve supper to those who wish to have it, then show a film. Please contact Julie if you would like to help - 0776 973 0668 - jules.tinn@gmail.com.

Culworth Village Café

The next village café is on **Saturday 3rd October** from 10am till 12 in the Village Hall, and takes the form of a **MacMillan Cancer Coffee Morning**, hosted by Margaret & Mary. Refreshments are free but donations are invited towards this worthy cause. There will also be a raffle so please come prepared with notes & change! The next Café will be on Saturday 7th November.

Culworth Snappers

The August meeting took “Corners” as its theme, while September covered the huge topic of “My Favourite Photos” – grappling with how to choose only 3 images from each collection presented major headaches! Images that held special memories or meanings were on show. The photograph on the left is from the topic of “Corners”, but do check out the Culworth Snappers Facebook page, where a selection of images from our latest subject is regularly updated.

A group of Snappers recently visited the HS2 site (some for a second time) with the chance to record some views that the public don't get to see. The 22nd October and 26th November topics are “Four Seasons” and “Through a Window”. If you are interested in joining us or just want to come along and see what it's all about, we generally meet at Forge Coffee at 7.30pm on the last (or occasionally penultimate) Thursday of the month.

Congratulations to... Culworth residents Joan and Dorothy who both celebrated their 99th birthdays in September.

Christmas Candles - It has long been the tradition for candles to be lit on Christmas Day in memory of loved ones, whose names are read out at the start of the Christmas Day service at St Mary's. If you would like a relative or friend to be included, please come to church at 11am on Christmas Day to light one or let Jose Rowling know on Josephine.rowling@gmail.com. All donations towards the redecorating of the church.

News from St Mary's Culworth

Churchyard - Many, many thanks to all those who have helped with the churchyard maintenance this year. In order to help keep the churchyard a little tidier, the church wardens would like permission to remove all obviously dead flowers, wreaths and other such memorials that are really past their best including very faded plastic flowers etc. We do hope this will not upset anyone, but we really would like the church and churchyard to look its best at all times. If anyone does not feel it is appropriate and objects, please contact Jenny or Martin.

Church Flowers - We decorate the church at Easter, Harvest and Christmas as a combined effort. If you would like to help for this Harvest Festival (11th October) please come along on Friday or Saturday morning (9th and 10th October) when you will be welcomed with open arms!

**Village Events Calendar** – The Parish Council is trying to put together and maintain an event calendar on the village website (<https://www.culworthparishcouncil.gov.uk/community/culworth-parish-council-18681>). If anyone has anything to add to it, please contact the Parish Clerk, Peter Coville, on [culworthparishcouncilclerk@gmail.com](mailto:culworthparishcouncilclerk@gmail.com).

## **Culworth Parish Council Notes:**

**Community Speedwatch** – Our Community Speedwatch group is now up and running, helping to monitor vehicle speeds and encourage safer driving. Thank you to everyone who has volunteered so far. We would be very pleased to have some more people involved – the more volunteers we have, the easier it is to run regular sessions. If you would be interested in joining the Culworth Speedwatch Team, please get in touch with Amy Harrison.

**Police Surgery & Crime Prevention** – Thank you to everyone who attended the Police Surgery on 15<sup>th</sup> September. It provided an opportunity for residents to speak directly with the police and to discuss ways we can help prevent crime in the village.

The police advised that they believe some of the recent burglaries may be linked to organised crime. Tools and jewellery are among the items most commonly targeted. In response, the police have increased patrols in Culworth and the surrounding area.

The key message from the surgery was prevention. Residents are encouraged to look at their homes, outbuildings and vehicles from the perspective of someone trying to gain access and consider where improvements could be made. Measures such as secure fencing and gates, security lighting, gravel or pebble driveways and good locks can all help.

Please continue to report suspicious activity or incidents to the police. Reporting helps them build a clearer picture of what is happening locally.

**Next Parish Council Meeting** – Thursday 12 November in the Village Hall at 7pm.

**Litter** - Twice in the last month the “non-layby” on Sulgrave Road has been cleared of litter by a volunteer. On the second occasion, the volunteer was very pleased that a schoolchild stopped to offer help. The back of that area still needs to be cleared.

PLEASE do pick up litter, as well as dog excreta (and the bags) and dispose in one of the seven Dog Waste Bins around the village:

1. Banbury Lane end of the Cricket Field where the footpath crosses
2. On the concrete road junction with the Red Lion footpath
3. Further down the concrete road where the footpath goes across to High Street
4. By Westhill Farmhouse on High Street
5. By allotment gate at the back of the school
6. At the corner of Sulgrave Road and Barley Hill
7. On Sulgrave Road near Park House where the footpath crosses the field to Banbury Lane.

The Annual Litter Pick will be on March 6<sup>th</sup> next year, starting at 10am from The Forge. Please put the date in your diaries and come along to help.

## **Hallowe'en Events on Saturday 31 October**

Lily is holding a Hallowe'en Cake Sale in the Village Hall from 2.30 to 8pm.

The Red Lion has a Hallowe'en Party from 8pm onwards – costumes required please!

## Glebe Land and the Spinney

Glebe land historically referred to parcels of land owned by the Church of England, originally set aside to provide a source of income or farming space for the local parish priest. In 1978, management of these pockets of land was legally transferred to regional Diocesan Boards of Finance.

In Culworth the glebe land until recently included Berry Close Hill which is the land behind the church where the mound of Culworth Castle is. Berry Close Hill was bought by the Parish Council a few years ago and is now managed by them. Incidentally the name derives, not from any blackberries that may be there, but from the Old English word burh, meaning a fortified place, stronghold or fortified manor house. Close is a Middle English term for an enclosed field or parcel of land, typically enclosed by hedges, walls or fences.

Another piece of glebe land is the little spinney on the left side of the road at the bottom of the hill near the Eydon turning. Although 'church land' Culworth church does not own it and has no say in what will happen to it.

The PCC have just been informed that the Peterborough Board of Finance intend to sell the 1.36 acres of woodland. I believe there are other parcels of land locally which are also owned by the Diocese of Peterborough.

Like all diocese the Peterborough Diocese has a huge debt and therefore looking to sell unprofitable land is a way of recouping some of their losses. Culworth church has no say in this and will in no way benefit from the sale.

This piece of woodland must be the only part of Culworth that has been untouched for decades. It is a haven for wildlife – a wilderness which is home to owls, deer, red kites and numerous species of birds, amphibians and insects.

Nearly 50 years ago, Bob Moyes- a true countryman, cut down many of the trees by hand. No chain saw for him. He cleared the tree trunks and what you see today has remained untouched since then.

This spinney was known as the 'Ash Yard.' I am not sure if that was because the trees (mostly ash) that grew there, were cut down for use on the railway, or because it was the village rubbish dump in the days before refuse collection. The rubbish pits have been excavated over the years and interesting old bottles, clay pots and other interesting artefacts removed by collectors. Definitely pre-plastic days.

With the sale of the spinney, the future of this little bit of Culworth's unique heritage could be lost. Hopefully whoever buys it will manage it in a sympathetic way so that the wildlife is not disturbed.

Jenny Howse

*Editor's note: The 1839 Tithe Map for Culworth, held at the Northampton Record Office, shows three large fields at the bottom of the hill, which were Glebe Lands. This is well before Great Central Railway days as the GC were just about the last company to run a mainline into London, in the early 20<sup>th</sup> century. There was no woodland apart from a wide hedge (listed as a plantation) which ran alongside the High Street next to one of the 3 fields. The two fields which ran alongside the road were both called Ashyard, and the third, which was behind them and seems to run alongside what used to be the football field, was called Pond Close.
